

Las Barbas

Nestled within one of Baja California Sur's most scenic oasis landscapes, Las Barbas, La Purísima, and San Isidro offer an authentic glimpse into the peninsula's rural heritage. Surrounded by date palm groves, freshwater springs, volcanic formations, and the iconic Cerro El Pilón, these neighboring communities invite visitors to explore a landscape shaped by history, agriculture, and outdoor adventure. Here, desert and water come together to create one of Comondú's most distinctive natural settings.

LOCATION

Northern Comondú Municipality, Baja California Sur, within the oasis valley of La Purísima and San Isidro, at the foothills of the Sierra La Giganta.

VISIT BAJA CALIFORNIA SUR

TRAVEL TIME

- La Paz to La Purísima: **approximately 4 hr**
- Loreto to La Purísima: **approximately 3 hr 30 min**
- Ciudad Constitución to La Purísima: **approximately 1 hr 45 min**

HOW TO GET THERE

By Land

Drive along Federal Highway 1 to Ciudad Insurgentes, then continue north via State Highway BCS-53, passing through Francisco Villa before reaching La Purísima and San Isidro.

By Air

Fly into La Paz or Loreto, then continue by rental car or private transportation to Puerto San Carlos.

FLIGHTS / Nearest Airports

Primary Gateway

Loreto International Airport (LTO)

Approximately 3 hr 30 min from La Purísima.

The closest airport to the destination, offering domestic flights and seasonal international service.

Alternative Gateway

Manuel Márquez de León International Airport (LAP) – La Paz

Approximately 4 hr from La Purísima.

Offers a wider selection of domestic and international flights, with a scenic drive through the heart of Comondú to reach the oasis communities.

Both airports provide connections within Mexico and seasonal or year-round service from cities in the United States and Canada.
